

TÕMME

Architectural site plan of a sports complex named "TÕMME". The plan shows various sports facilities including basketball courts (korvpall), tennis courts (tennis), a swimming pool (ujuväli), and a playground (lastepark). It also features a bus stop (bussid), a parking area (parking), and a building (hoone). The plan is divided into two main sections: "skeemilõige 1_1 M1:500" and "skeemilõige 2_2 M1:500". A north arrow and a scale bar (0-50m) are located in the top right corner. The plan is surrounded by a dashed line indicating the project boundary.

Key features and labels include:

- korvpall (Basketball)
- tennis
- ujuväli (Swimming pool)
- lastepark (Children's park)
- bussid (Buses)
- parking
- hoone (Building)
- koerte jalutusvõrk / ronimisplats (Dog walking / climbing area)
- talvine lumägi (Winter snow pile)
- talusajajate platform (Platform for summer residents)
- kalastuskohad (Fishing spots)
- liuväli (Slope)
- poolsaar (Island)
- jõgi (River)

Scale and Orientation:

- Scale: 0 10 30 50m
- North arrow pointing North (N)

Section Labels:

- skeemilõige 1_1 M1:500
- skeemilõige 2_2 M1:500

A diagram of a lasteplastron, which is a bony plate on the underside of a turtle's shell. It shows a central rostrum (snout) and a fan-like arrangement of spines (lasteplastral spines) extending from the rostrum. The spines are labeled 'lasteplastral rostrum' and 'lasteplastral spine'.
